WATERFRONT MARKET سـوق الواجهة البحرية

FOOD AS GOOD AS IT GETS

EXPLORE WATERFRONT MARKET

A MARKET FOR GENERATIONS

From its earliest days as the Deira Fish Market in 1958, the heart of Dubai's fresh food trade has always been by the sea. In 2017 this legacy evolved into the Waterfront Market - a vibrant space where fishermen still unload their catch at dawn, spices fragrance the air, and the city meets nature. It's more than a place to buy fish, meat and poultry, and produce, the market connects generations: traders with the past and future, chefs with tradition, and families with flavour.

SHOP

FRESH LIKE IT'S SUPPOSED TO BE

Engage in a shopping adventure that captures the essence of Dubai's rich trading heritage. Choose the freshest and best directly from local fishermen and farms. Embrace the lively atmosphere at Dubai's largest food market as you interact with friendly vendors, sharpen your bargaining skills, and discover unbeatable deals on the largest choice of fresh produce.

DINE

TREAT YOURSELF TO THE BEST BY THE WATERFRONT
